

WALKERTON

2019 CELEBRATION PARADE

It's time for Walkerton's annual parade. The parade will feature local school bands, businesses and families from our area. We invite you to help us celebrate. Our theme this year will be "Reaching for Tomorrow." Please show your support by attending our annual Walkerton Celebration Parade.

Dear Parade Participant,

Come join us for the 2019 Walkerton Celebration Parade. Everyone enjoys a parade, and without your participation it wouldn't be the same. The route is 1.5 miles long with no entry fee, and will be held on July 3rd at 7:30PM Eastern Standard Time.

This year, we will be doing things a little different to assist with streamlining check in and making it more organized. This will allow you to park your entry directly in your designated spot. Some entries will line up in the parking spaces at Place Drive (South of Place Park), others will continue to park on Washington St. This should help to cut down on traffic back ups. Your number and further instructions for line up will be sent to you prior to the parade. You should arrive no later than 7:00PM Eastern Time.

Attached is the entry form that must be returned to the Park Department via email, fax, mail, or dropped off at the Park office. We look forward to seeing you in our parade!

MAP KEY
